

Triple Shredder Body-Shaper™ is a multi-pronged formula that delivers powerful botanicals and nutrients that support three key areas of physiology related to body-shaping:

Thermogenic Action Featuring Sinetrol® - a powerful herbal preparation composed of extracts from three Mediterranean citrus varieties along with an extract from the berries of Guarana.*

2 **Patented BioPerine®** - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Cellular Fuel - Acetyl-L-Carnitine and MCT oil combine to deliver foundational nutrition that supports cellular energy production to supplement the fuel needed to complete your workout.*

Muscle Recovery - BCAAs are essential amino acids that play important roles in muscle building, function and recovery. [This product delivers a 2:1:1 ratio of BCAAs (Leucine: Isoleucine: Valine)] in combination with 2,000 IU of Vitamin D3 per daily serving for enhanced post-work out support.* It also supplies 2,400 mg of Fish Oil (432 mg EPA, 288 mg DHA). Emerging research indicates that this amount of EPA and DHA from fish oil may enhance muscle recovery.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.
