No Mess, No Fuss Nutrition!

Young children can be finicky eaters, and don't always get the optimal balance of nutrients from diet alone. NutriStart Multivitamin Powder™ helps fill nutritional gaps in your child's diet with research-based levels of essential vitamins, minerals and nutrient-dense whole foods.* Grab & Go easy-mix packets offer a convenient way to add our neutral-tasting, nutrient-packed powder into chilled or room temperature drinks or foods. Do not mix into hot foods.

- Essential vitamins & minerals support optimal growth & development*
- B-vitamins, folate, choline & iron promote a healthy brain & nervous system*
- Probiotics & whole foods for gentle digestion & immune health*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
