

Oxydrene®

[Crenulin-RCC^{2™}] 255 mg

Elite

Are You Ready to Go to the Next Level?

Oxydrene Elite's powerful functional extract (Crenulin-RCC²) has been shown in a double-blind, placebo-controlled clinical trial to not only increase exercise endurance when taken 1 hour before a workout, but to help participants actually reach a higher VO₂ Max, a sign of greater oxygen consumption at the tissue level, than the placebo group*.

Moreover, in a separate and distinct study on markers of muscle damage and recovery, subjects were tested both 5 hours and 5 days after strenuous exercise. In that study, there was a clear trend concluding that Oxydrene Elite's key Crenulin-RCC² extract helped decrease the damage associated with muscle stress, thus facilitating muscle recovery after strenuous exercise*.

Oxydrene®

[Crenulin-RCC^{2™}] 255 mg

Elite

DEEP TISSUE OXYGENATOR*

Clinically Proven to
**Increase
VO₂ Max!!!**

- INCREASE VO₂ MAX THROUGH OPTIMIZED SYSTEMIC OXYGEN UTILIZATION*
- MAXIMIZE AEROBIC POWER AND PERFORMANCE DURING EXERCISE*
- OPTIMIZE MUSCLE RECUPERATION CYCLE*

DIETARY SUPPLEMENT

120 Capsules

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 60

	Amount Per Serving	% Daily Value†
Thiamin (Vitamin B1)	2.5 mg	167%
Riboflavin (Vitamin B2)	2.8 mg	167%
Niacin	30 mg	150%
Vitamin B6 (as Pyridoxine HCl)	10 mg	500%
Vitamin B12 (as Cyanocobalamin)	120 mcg	2000%
Pantothenic Acid (as Calcium Pantothenate)	10 mg	100%

Crenulin-RCC²;

A Proprietary Blend Containing: 255 mg

<i>Rhodiola rosea</i> (root) Extract	†
<i>Cordyceps sinensis</i> Powder	†
Coenzyme Q10	†
<i>Schisandra chinensis</i> (fruit) Extract	†
<i>Eleuthero</i> (root) Extract	†
L-Arginine Alpha-Ketoglutarate 2:1	†
<i>Ginkgo biloba</i> (leaf) Extract	†

† Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

Other Ingredients May Include: Gelatin, Rice Flour, Microcrystalline Cellulose, Stearic Acid, Magnesium Stearate, Silicon Dioxide, Titanium Dioxide, FD&C Blue #1, Natural and Artificial Flavors.

DIRECTIONS FOR USE: As a pre-workout supplement, take 2 capsules 1 hour before exercise. Always take with a full glass of water.

NOTE: If you are an athlete competing under International Olympic Committee (IOC) or World Anti-Doping Agency (WADA) rules, it should be noted that the IOC and WADA have banned any substance that artificially enhances the uptake, transport, or delivery of oxygen. Because this ban might include Oxydrene Elite (due to its ability to increase oxygen uptake at peak exercise levels), competitive athletes should check with their trainers and governing bodies before using Oxydrene Elite in organized athletic competition.

WARNING: Consult your physician before use if you are taking prescription medications. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. **Keep out of reach of children. Use only as directed.**
