

- + replenishes collagen*
- + fights the effects of aging*
- + enhanced with boswellia

Type 2 collagen is the main component of healthy joint cartilage, which acts as a cushion between bones.

Youtheory® Joint Collagen is designed to help replenish the body's supply of essential collagen protein.* This formula provides a special type of collagen that is uniquely processed to allow digestibility and absorption into the body. It also includes botanicals and nutrients that are traditionally used in joint formulas.

joint collagen

advanced formula + boswellia

120 tablets

dietary supplement

Suggested Use: (Adults) Take two (2) tablets per day.
