

Procera AVH is a nutritional supplement that helps support brain health and cognitive function.

Procera AVH's ingredients have been carefully researched and formulated for the health of your brain. Its unique triple action helps promote blood and oxygen flow to the brain, supports key neurotransmitters and provides vital neuroprotection.[†]

Patented Formula:

Acetyl-L-Carnitine (ALC)

Although the human body manufactures some ALC, it decreases with age. ALC provides neurotransmitter support.[†]

Vinpocentine

Derived from vincamine, a natural extract of the periwinkle flower, Vinpocentine helps support blood flow to the brain.[†]

Huperzine A

Helps support levels of Acetylcholine, a key neurotransmitter used by the body to improve healthy brain function.[†]
