

Memory Support

Derived from the highest-quality and most potent Ginkgo biloba leaf and Panax Ginseng extracts available, these ingredients have been clinically studied to support memory.[†]

Foundational Brain Support

Phosphatidylserine provides foundational support for the brain, including cell membrane composition and cell function.[†]

Vitamins & Zinc

Contains high-quality, co-enzyme B vitamins and Zinc to help support the nutritional needs of your brain and body.[†]

Mood Stabilizer

Comprised of three adaptogens; Ashwagandha, Rhodiola Rosea and Panax Ginseng that help stabilize mood imbalances.[†]
