

Thank you for choosing MemorEase by LIDTKR. We sincerely wish the best of health for you and your family.

LIDTKE MemorEase™ is the **Sharp PS®** enhanced-stability phosphatidylserine(PS) softgel with fluid dispersion for maximum brain benefits. Without sufficient levels of PS, brain cells do not transmit nerve impulses properly. PS helps slow age-related cognitive decline, promoting better memory, attention and concentration.*

Non-GMO. No added gluten, yeast, wheat, soy, milk, eggs, nuts, fish, shellfish, sugar, preservatives, artificial color or flavor. LIDTKE stands behind each product and guarantees customer satisfaction for 365 days from the date of purchase.
