

Dr.Berg's Wheat Grass Juice Powder uses the highest quality growing and processing methods. Our wheat grass is grown in the rich soils of ancient sea bed in Utah's West Desert full of rare trace minerals and nutrients. Using a unique freeze drying method called BioActiveDehydration™, we retain the natural qualities fresh juice and when reconstituted in water the juice is virtually identical to fresh squeezed juice with essentially no degradation of color, flavor, aroma, enzymes, and nutrition.†

Wheat grass contains high concentrations of valuable nutrients, including chlorophyll, vitamins, minerals and natural enzymes. This juicepowder is 100% pure and contains no insoluble fibers, carriers or additives. This high purity makes it more soluble in water and ideal for use in a variety of drink mixes.†

One half teaspoon (1.2 g) is equivalent to a one-ounce shot of fresh wheat grass juice. And realize that this product is the juice of the wheat grass, ten times more potent than the wheat grass itself. One teaspoon of wheat grass is equivalent to three to four pounds of vegetables.†

- ✓ Raw
- ✓ Non-GMO
- ✓ Vegan
- ✓ High in chlorophyll
- ✓ Gluten-free
- ✓ High in trace minerals

Organic

WHEAT GRASS SUPERFOOD

Raw Juice Powder

100% ORGANIC

Vegan - Gluten Free - Non GMO
Dietary Supplement Net Wt. 150g (5.3oz)

Directions:

Dissolve one Teaspoon (scooper) (2.5g) into an 8oz glass of water or a smoothie. Do not take with hot liquids since heat will neutralize active enzymes. Recommended daily on a empty stomach (20 minutes before or 2 hours after a meal)

Warning: If you are pregnant, nursing a baby, or have a chronic medical condition, be sure to consult your doctor before taking any supplement. Keep out of children's reach.
