Warning: This product is not for use by individuals under the age of 18. Consult with your physician before using if you are not sure whether this product is right for you.

Manufactured for: Natural Dynamix Inc.
6351 Chalet Dr. Los Angeles, CA 90040

Endure DX contains Dynamiser, our proprietary microencapsulated formula featuring 250mg of thermally stable Oxaloacetic Acid per serving.

Endure DX contains 30 capsules per bottle. Taken at the recommended dosage of one capsule a day, the bottle will last 30 days. It is recommended that the capsules be ingested with a morning meal. The benefits of Endure DX should become apparent within six days, and continue with prolonged use.

Suggested Use: Take 1 capsule daily for 14 days before results are noticeable.

Results are defined as increased endurance when training longer than one hour. The greater the duration of the event (training, race, etc.), the more noticeable the results.

STORE IN A COOL, DRY PLACE.
