Let's face it, nothing will melt pounds off of you. However, nature has provided us with ways to gently boost our metabolisms and get us moving! Green tea has been used for centuries in Indian culture to promote healthy weight loss and overall health, and now has finally gained popularity in the Western world. We are the only product that provides a naturally extracted and clean form of Green Tea as part of our Natural Fusion Extract* to ensure that we give you the most potent and effective version of Green Tea on the market today. Today, millions of people around the world incorporate Green Tea into their healthy lifestyles and it really is time you started!*

Benefits of True Veda® Organic Green Tea Extract

- ✓ Natural Fusion Extract* that contains Polyphenols, Catechins, EGCG and other beneficial compounds found in the finest parts of whole Green Tea leaves*
- ✓ 100% of the agricultural ingredients are organic
- ✓ Vegan, Vegetarian, Kosher and Gluten-free
- ✓ No artificial ingredients or preservatives
- ✓ Sourced from India and made in the UK in a GMP certified facility

What is Ayurveda?

Ayurveda, meaning "Knowledge of Life" is a 5000-year-old holistic healing system from India that promotes longevity, balance and happiness. Ayurveda helps sustain wellbeing by applying the essential principles of nature to bring the person back into equilibrium with their pure self. Ayurveda places great emphasis on the prevention of illness. By rebalancing through appropriate nutrition, exercise, relaxation and lifestyle choices, we can help you live a significantly fuller life.

Directions

As a food supplement take one vegetable capsule two times per day, or as directed by your health care practitioner.

WARNING

Do not take if you are pregnant or nursing. Keep out of the reach of children. Store in a cool, dry place.

Do not exceed the recommended daily intake and do not use this product as a substitute for a varied diet.

Our Story...

For us, it's not just about a business; it's about a healthy lifestyle. We are a small, independent family run business, whose aim is to support the world through a healthy vision. By being conscientious of the environmental effects we have on the world and how we can help, we do just that. By running our business in the most eco-friendly way possible and with a premium, researched list of products, we ensure that we bring added value to everyone we come into contact with. And this will never change! Get in touch with us today to help with your healthy lifestyle.

Our Promise...

Your satisfaction is our top priority. We promise to offer 100% natural-sourced products and we follow through! This means no artificial ingredients or preservatives go near our products. Our products are made from premium ingredients, ensuring that everything we sell is of the absolute best quality. And as a bonus, by supporting you are supporting other worthy causes. We donate a percentage of our profits to multiple charitable foundations. Let's make this world a better place to live and love!
