

ALA Release

An alpha-lipoic acid complex, containing alpha-lipoic acid, R-alpha-lipoic acid, biotin, and calcium.

Suggested Use

As a dietary supplement, 1 tablet one or two times daily with food, or as directed by a healthcare practitioner.

WARNING: Alpha-lipoic acid may lower blood glucose levels; those with diabetes or related conditions should monitor blood glucose levels. Pregnant or breast-feeding women, those with thiamine deficiency or thyroid disease, and children should use alpha-lipoic acid only under the supervision of a healthcare professional.

Keep in a cool, dry place, tightly capped.
