

Add Lib naturally promotes energy, a healthy mood and sexual desire

Add Lib is not a drug, nor a hormone, rather a revolutionary women's health supplement. Add Lib supports a healthy body and mind – improving overall energy, while reducing stress and anxiety. Add Lib's all natural ingredients promote passion and vitality, as well as a healthy balanced mood. It contains powerful phytonutrients to stimulate sexual desire and enhance your libido. Add Lib capsules are formulated with 9 effective ingredients including mushroom extracts, antioxidants and vitamins. Add Lib is 100% natural and hormone-free.

The Cordyceps in Add Lib helps improve energy and vitality levels while promoting respiratory, circulatory, sexual and immune health. See side panel for more ingredient benefits.

Suggested Use:
Take 1 or 2 capsules in the morning with food.

Cautions:

- Do not use if pregnant or lactating
- Keep out of reach of children
- Store at room temperature (60-86°F)
- Do not use if blister is torn or broken

Add Lib is formulated with all natural plant and mushroom extracts, antioxidants, vitamins and other phytonutrients to promote energy, a healthy mood and sexual desire.

Fenugreek Seed Extract promotes healthy libido functions as well as improves body composition, mood and cognition. (contains 50% saponins)

Cordyceps improves energy and vitality levels while promoting respiratory, circulatory, sexual and immune health.

Damiana Extract has been used for hundreds of years to increase sexual desire and relieve stress and anxiety.

Maitake Extract benefits immune and cardiovascular health.

Ginseng and Maca Extracts increase energy, stamina, and endurance, and improve focus.

Maca is growing in world popularity due to its energizing effects and aphrodisiac qualities.

Wulfshehen may help support normal sleep and a healthy mood.

Passionflower helps keep your body and mind balanced and reduces anxiety.

Vitamin B12 is needed for healthy digestion and is known for its energy enhancement benefits.

Add Lib is Hormone-free
