

The NSF Certified for Sport® Program helps athletes, coaches and trainers make more informed decisions when choosing sports supplements. The program is recognized by the NFL, NFL Players Association, MLB, MLB Players Association, PGA, PGA and Canadian Centre for Ethics in Sports.

The NSF® certification mark on our products helps athletes of all levels buy our supplements with confidence. Certified supplements must meet rigorous standards that include comprehensive lab testing and extensive evaluation of the manufacturing process to ensure contaminated substances or hidden ingredients are not added to a product.

SUGGESTED USE:

Take each serving (approx. 1 scoop) of C4® Ripped Sport, with 8 fl. oz. of water, and consume 20-30 minutes before training. Once tolerance has been assessed, take one additional serving (approx. 1 scoop) with the serving taken before training for added energy and weight loss support. During your workout, it is recommended that you drink plenty of water. Some individuals may experience a harmless tingling sensation, which is attributable to Beta-Alanine.

WARNING:

THIS PRODUCT IS ONLY INTENDED FOR HEALTHY ADULTS, 18 YEARS OF AGE OR OLDER. Do not use if pregnant or nursing. Do not take this product before first consulting a licensed, qualified, health care professional if you are taking any other dietary supplement, prescription drug or over-the-counter medication; or if, you suspect you have or have been treated for, diagnosed with or have a family history of, any medical condition. This product contains caffeine and should not be used by individuals wishing to eliminate caffeine from their diet or in combination with caffeine or stimulants from other sources. Discontinue use 2 weeks prior to surgery. Immediately discontinue use and contact a medical doctor if you experience any adverse reaction to this product. Do not use continuously for more than 8 weeks. Do not use if the safety seal is broken or missing. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN. This product is sold by weight, not volume. Some settling of powder may occur during shipping and handling, which may affect density of powder. This product contains the servings indicated when measured exactly by weight.

Made in the U.S.A. using strategically sourced domestic and imported ingredients and components.

† Best results shown on taking 2 servings per day for 8 weeks in conjunction with diet and exercise.

‡ Based on sales of all C4® brand products in the U.S.A. from 2014 to the present
