 PREVENT ANY DISEASE.

HLS-5041278

**Ayurveda and its sister science
 Yoga rely on their understanding
 of the body to promote
 flexibility and motion. Ayurveda
 identified plants that support
 these with great success and it is
 from that selection that we
 formulated JointCare®.***

To this effect, Ayurveda holds in
 great regard the resins of Boswellia
 and Greater Galangal (relative of
 Ginger) to encourage the strength
 and resilience of connective tissues
 and support range of motion.*

Featured herbs on front: Boswellia (crystallized resin),
 Greater galangal (rhizome) & Tribulus (aerial parts)

GLUTEN FREE • VEGAN FRIENDLY • cGMP

No ingredients of animal origin

 Benefits joint mobility*
 Promotes tissue preservation*
 Herbal Supplement
 120 VEGETARIAN CAPSULES

HAPPINESS THROUGH WELLNESS

Crafting traditional medicines based on
 Ayurveda, a 5,000 year old science that
 believes the journey back to wholeness
 begins with nurturing the capacity for joy.

Trusting the gifts of nature and the
 irreplaceable relationship between the
 plant and its native soil for consistent
 healing properties.

Contributing to the wellness of the earth
 by teaching our family of farmers to grow
 native plants sustainably on their land
 and reduce the demand on the local
 environment.

Building communities by advocating
 women in farming, protecting fair prices,
 providing maternal health, sponsoring
 clinical services and offering school
 wellness programs.

Believing that if wellness is the path to
 happiness, we must contribute to the
 wellness of all things. Wellness of people,
 wellness of the environment, wellness of
 our communities.
