

WHOLE PLANT EXTRACTION

Simply Young™ products contain: NO Pesticides, GMO's, Corn, Soy, Wheat, Gluten, Maltodextrin, Artificial Sweeteners, Dairy, Coloring, Stabilizers or any other Artificial Ingredients!

DIRECTIONS:

Take one heaping scoop and mix/blend to enhance any drink, shake, or to make your own creamy ice cream!

SUGGESTED USES:

Use one scoop with the Longevity Calcium Shake, Brain Chai Lette, Vital Flow Essentials, or any other Simply Young™ supplement.

WHY COCONUT IS SO GOOD?

Coconuts are one of the most nutrient rich foods on the planet. They are a good source of iron, phosphorus, zinc and other minerals and vitamins. Coconuts are also a good source of protein and fiber while containing few naturally occurring sugars. According to a recent scientific consensus, the saturated fats contained in coconuts are metabolized as soon as they are consumed and are not converted into cholesterol or body fat.
