

MultiMin

Allergy Research Group's classic mixed mineral formulation, as developed by Stephen A. Levine, Ph.D. MultiMin provides macrominerals, trace minerals, and ultra-trace minerals. Glutamic acid is included as a mildly acidifying agent.*

Suggested Use

As a dietary supplement, 1 capsule one to three times daily with meals, or as directed by a healthcare practitioner.

Taking more than 400 µg of selenium per day from all sources should only be done under the guidance of a healthcare professional.

Contraindicated with use of aluminum containing drugs.

WARNING: Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or a poison control center immediately.

Appropriate for food-sensitive individuals.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
