

What is Wheatgrass

Our Oregon grown premium wheatgrass is one of the most potent leafy greens on earth, and is an amazing source of vitamin A, B6, C, E, iron, zinc, niacin, protein, and riboflavin. Wheatgrass also supports detoxifying the body and boost immune systems. It has a high concentration of chlorophyll and natural enzymes - 100% pure and does not contain any insoluble fibers, carriers, or any other additives.

Direction of Use

Add 1 teaspoon to a glass of water. For best results, use shaker cup, or blender. Try adding it into your favorite juice, smoothies, yogurt.

The Maju Promise

Our USDA Organic Wheatgrass contains no pesticides or herbicides. We at Maju Superfoods are dedicated to providing you with only the highest quality, all-natural, non-GMO, non-allergenic, and 100% raw Wheatgrass powder. We're confident you're going to love it as much as we do.
