CAUTION: This product is only intended for healthy adults 18 years of age or older. Do not use if pregnant or nursing. As with any new supplement, consult your physician before using. If you are taking any prescription or over-the-counter medications, are unaware of your current medical condition, have any pre-existing medical condition(s), have hypersensitivity to sodium or have any risk of kidney stones or have diabetes, consult your physician before using this product.

RECOMMENDED USE: Gently shake the bottle before each use to loosen the powder as the product settles. Mix 1 scoop per 8 - 12 fl. oz. of water (adjust for taste preference). Use as needed throughout the day. For optimal results, consume 2 scoops with 16 - 24 fl. oz. of water.

For best results, use with a low-carb or ketogenic diet and an exercise program.

Immediately discontinue use and contact your healthcare professional if you experience any adverse reaction to this product. Use only as directed. Do not use if safety seal is broken or missing.
