

Vitamin D3 Complete

Vitamin D3 Complete is formulated to respect the crucial importance of balancing vitamin D with vitamin A.* It also contains the other oil-soluble vitamins, K2 (menaquinone-7) and DeltaGOLD® tocotrienols (part of the vitamin E family). Vitamin D3 Complete is formulated for safe, long-term daily supplementation for most individuals.†

Suggested Use

As a dietary supplement, 1 capsule one or two times daily, or as directed by a healthcare professional.

Caution: Proper blood monitoring recommended for higher doses.

Formulated exclusively for Allergy Research Group®
