

Vitamin D3 Complete 5000 IU Softgels

Vitamin D3 Complete 5000 IU Softgels is formulated to respect the crucial importance of balancing vitamin D with vitamin A, especially for those who know they require extra vitamin D.* It also contains the other oil-soluble vitamins, K2 (menaquinone-7) and DeltaGOLD® tocotrienols (part of the vitamin E family).

Suggested Use

As a dietary supplement, 1 softgel daily with a meal, or as directed by a healthcare practitioner.

CAUTION: Proper blood monitoring recommended for higher doses.

Variations in product color may occur. Keep in a cool, dry place, tightly capped. Avoid high temperatures for extended periods.
