## Supplement Facts

### Serving Size 1 Tablet

|                                                         | Amount Per Serving | % Daily Value |
|---------------------------------------------------------|--------------------|---------------|
| Vitamin C (as Ascorbic Acid, Acerola Cherry, Rose Hips) | 1,000 mg           | 1,667%        |

**Other Ingredients:** Cellulose, Stearic Acid and Silica.

**Discussion:** Vitamin C provides antioxidant activity and is intended to help support normal, healthy collagen synthesis, capillary and blood vessel integrity, cartilage and bone development, immune function and nerve impulse transmission. This two-stage, timed-release formula is designed to release half of the Vitamin C in this product rapidly and the other half gradually over a period of up to 12 hours\*\* which may help extend the availability of the Vitamin C to the body over a longer period of time.

\*\*Based on in-vitro dissolution tests designed to simulate the digestive process. Individual results may vary.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
