

Laktoferrin

Lactoferrin is a specific peptide extracted from bovine colostrum ("mother's first milk") which possesses iron-binding properties.*

Suggested Use

As a dietary supplement, 1 capsule per night before bed,
or as directed by a healthcare practitioner.

CAUTION: Do not use while pregnant or breast-feeding. Lactoferrin may be contraindicated by lymphocytic leukemia or pancreatitis. Individuals with autoimmune or allergic conditions should start with small doses and consult their healthcare practitioner.

Contains: Milk.
