

SUGGESTED USAGE: Take 1 capsule twice daily with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Clinical Cardio-6 is a powerful combination of targeted nutrients and botanicals that are known to promote optimal cardiovascular health.* With L-carnitine and CoQ10 to support energy production in the heart, hawthorn and MegaNatural®-BP™ grape seed extract to support blood pressure already within the normal range, and MK-7 to help maintain arterial flexibility, Clinical Cardio-6 offers a comprehensive formula for healthy cardiovascular structures and functions.*

CAUTIONS/INTERACTIONS: Consult your healthcare practitioner if pregnant/nursing, taking medication (especially cardiac and blood pressure medications, or anticoagulants), or have a medical condition (including thyroid disorder, or heart and blood pressure conditions).

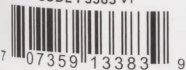

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
