

ADVANCED TRICHOLOGY CLINICAL RESULTS

Derma-IRON plus Vitamin C and marine collagen are specifically focused on improving not only iron deficiencies but the health and beauty of the hair and skin due to decreased blood levels of iron and ferritin. This type of iron has demonstrated in clinical studies to be a safe and effective source of iron for treatment of iron deficiencies. It is recommended to be used with other Advanced Trichology products for the most optimal results.*

- Gentle on the stomach*
- Low risk of Constipation*
- Proven effective in research*

ADVANCED TRICHOLOGY products have been used in clinics as the primary dietary supplements included in clinical regrowth programs for men and women that produce dramatic results.*

DIRECTIONS: Take one capsule (1) once per day with food or as directed by your healthcare practitioner.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

As oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. As with any dietary supplement, if you are on medication, pregnant, or are nursing a baby, seek the advice of a health professional before using this product.

Manufactured in a facility which processes Milk, Eggs, Fish, Shellfish, Tree Nuts, Peanuts, Wheat, and Soybeans.
