

Nutra Perfect

Aloe Vera

10x Concentrate

Highly concentrated
Mucopolysaccharides

32 Ounces

Ingredients: Pure Highly Concentrated Liquid Aloe Vera, .03 Ascorbic Acid as Preservative.

Recommended Usage: (1) to (2) ounces daily ingested as a maintenance dosage. Several ounces each day can be used for specific needs or use according to your health care practitioner's advice. Can be used topically for various skin conditions. Can be consumed without dilution. If necessary, mix with anything to suit your taste.

Many advocates have touted Aloe Vera as the true panacea for various illnesses & diseases. They promote it's ability as a natural immune booster, anti-inflammatory, antiseptic, antiviral, and antibiotic. It is considered an excellent detoxifier to cleanse the entire body. The primary ingredient mucopolysaccharide is the component many people with joint problems are seeking to rebuild the matrix of which cartilage is made.

Can be consumed by ingestion or used topically
