Item Code: V-PBJR

Directions for Use: As a dietary supplement for infants and children.
Follow dosing instructions below or as directed by a qualified
healthcare professional.

 Infants - Make a paste using 1/2 scoop (1/4 teaspoon) of probiotic powder and water or breast milk and rub it directly in the baby's mouth once a day. If bottle-fed, add 1/2 scoop (1/4 teaspoon) to the baby's formula once a day.

 Toddlers and Children - Mix 1 full scoop (1/2 teaspoon) with formula, juice, milk, water, applesauce, etc; once daily.

Vinco's JuniorBiotic® contains a blend of premium cultures for human nutrition with 3% FOS. Prebiotic (FOS) is a bifidogenic factor that stimulates the growth of beneficial bifidobacteria. Consult a qualified healthcare professional to see if JuniorBiotic® is right for you.

Probiotics have been shown to be beneficial in improving digestive and bowel functions, stimulation of the immune system, reduction of lactose intolerance, reduction of antibiotic side effects, diarrhea, and may assist with diaper rash.†
