

Directions for Use: As a dietary supplement for adults and children twelve or more years of age, take four tablets separately throughout the day, or as directed by a qualified healthcare professional. **Take with 8 oz. of water, in-between meals.**

Vinco's OsteoSheath®4 contains bioavailable minerals and cofactors including Microcrystalline Hydroxyapatite (MCHC), Calcium Citrate, and Calcium Amino Acid Chelate. The MCHC in OsteoSheath®4 is from New Zealand. Each serving (4 Tablets) contains 1,221 mg of Elemental Calcium. The pH sensitive coating is designed for intestinal absorption for maximum ingredient utilization.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

KEEP OUT OF REACH OF CHILDREN
Tamper resistant. Do not purchase if seal is broken.
Store in a cool, dry place.
