

Directions for Use: As a dietary supplement for adults and children twelve or more years of age, take one to three capsules per day, on an empty stomach, in-between meals, or as directed by a qualified healthcare professional.

Saccharomyces boulardii is a non-colonizing natural yeast probiotic shown to promote gastrointestinal health and help enhance immune function.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

KEEP OUT OF REACH OF CHILDREN
Tamper resistant. Do not purchase if seal is broken.

Store in a cool, dry place. Refrigeration of this product will further extend shelf-life, however it is not absolutely crucial to the products effectiveness.
