

Directions: As a dietary supplement for adults, take 3 tablets daily or as directed by a healthcare professional.
Do not use if you are pregnant or nursing.
Keep out of reach of children.

Contains no added yeast, starch, sugar, salt, wheat, gluten, dairy, artificial colors, preservatives or animal products.

Cholesta-Lo® is a comprehensive formula that provides nutrients and other key factors to nutritionally support healthy cholesterol levels* within the normal range. Along with plant sterols and flush-free niacin, it includes Resveratrol, which research suggests may play a role in supporting cardiovascular health. It is also potency enhanced with Futurebiotics exclusive BioAccelerators™, including Lactospore® probiotics, for improved nutrient absorption and utilization.
