

**PROFESSIONAL USE ONLY**

Not for resale on third-party websites,  
including, but not limited, to Amazon® and eBay®.

**DIRECTIONS:** Consume 0.5 mL (about ½ dropper) one to two times daily, or as directed by your healthcare professional.

Consult your healthcare professional before use. Individuals taking blood thinners or other medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

**K2 Liquid** provides vitamin K2 as menaquinone-7 (MK-7), the bioactive form of K2 obtained through fermentation of *Bacillus subtilis* natto cultures. The highly bioavailable MK-7 supports vitamin K repletion when deficient and plays a role in inhibiting vascular calcification and promoting bone mineralization.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**STORAGE:** Keep closed in a cool, dry place out of reach of children and away from light.

**FORMULATED TO EXCLUDE:** Wheat, gluten, yeast, corn, soy protein, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

# K2 Liquid

*K2 as Bioactive MK-7*
