Purified to eliminate mercury

Fish Oil contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help maintain the health of your cardiovascular system.* Omega-3 fatty acids are considered some of the "good" fats important for cellular, heart and metabolic health.* These fatty acids also help maintain triglyceride levels already within a normal range.*

This unique supplement is odorless and coated. Coating protects the ingredients as they pass through the stomach, so they can be digested in the small intestine to minimize annoying fish burps and aftertaste.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Laboratory tested to meet strict quality control standards for potency, purity and disintegration.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
