

Directions: As a dietary supplement for adults, take 4 capsules daily, always with at least 16 oz. of water, or as directed by a healthcare professional. For best results, fiber supplements such as Colon Green® must be taken with adequate liquids. If you experience discomfort, discontinue use.

Warning: Do not use if you are pregnant or nursing. Do not take this product if you have ever had difficulty in swallowing or have any throat problems. Keep out of reach of children. Protect from light.

Colon Green® is a comprehensive colon care formula that contains Sunfiber®, a galactomannan-based soluble dietary fiber made from hydrolyzed guar gum. It also provides potent Lactospore®, a naturally microencapsulated sporiferous preparation of *Lactobacillus coagulans* that is proven to deliver viable lactobacilli to the intestine. Lactospore® is room-temperature stable and highly resistant to the action of heat, gastric acids and bile. In addition, Colon Green® includes acidophilus, enzyme activity, and a variety of botanicals that are of key importance to good colon health.
