

Directions: As a dietary supplement for adult men, take 2 tablets twice daily or as directed by a healthcare professional. Product should not be taken by women.

Do not use if you are pregnant or nursing.

Keep out of reach of children. Protect from light.

Prostabs Plus® is a synergistic combination of select nutrients including Lycopene, Prostate glandular, amino acids and Saw Palmetto extract designed for today's health-conscious man. In addition, Pomegranate extract has been added to the formula. Pomegranate contains a key compound called ellagic acid that research has shown is beneficial to good health. Prostabs Plus® contains Pomegranate extract, standardized for 70% ellagic acid.
