

Relora® is an all-natural supplement that is the result of extensive review and investigation of the many plant fractions from around the world used in Traditional Chinese Medicine. This proprietary, patented formula blends specific actives from *Magnolia officinalis* bark and *Phellodendron amurense* bark extracts and has been shown to be effective in clinical research.

Futurebiotics® Relora® provides a full 500 mg of Relora® per daily serving, is a 100% vegetarian dietary supplement, and does not cause drowsiness.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
