

Omega-3 Health™ combines the superior heart-healthy supportive benefits of high-potency, marine-source **Omega-3** good fats with **ASTAXANTHIN**, a naturally occurring carotenoid from algae and **VITAMIN D3**.*

Omega-3 Health helps to support a healthy brain, skin, hair, bones, joints and immune system. With our proprietary purification process, we guarantee purity and potency.*

A close cousin of beta-carotene, **ASTAXANTHIN** is considered by many to be nature's most powerful antioxidant, one critical for muscle endurance and recovery, eye health, skin health and anti-aging support. When combined with fish oil, it helps to keep the marine oil fresh longer, while making the beneficial properties more potent.*

Omega-3 Health also contains a blend of certified organic Turmeric, Ginger and wild-crafted Boswellia to help physiologic stress.

Every serving of **Omega-3 Health** is fishy burp-free.
