

MINOR PAIN RELIEF¹

Curica[®] Turmeric utilizes a patented colloidal dispersion technology that dramatically improves curcumin absorption and bioavailability, making it easier for your body to use and obtain the benefits of turmeric. Curica Turmeric contains a unique, bioavailable curcumin complex that relieves occasional pain due to overexertion, strain, or exercise.² Curica Turmeric delivers a high level of curcumin to the bloodstream, providing a superior method for utilization over regular turmeric powders and extracts.³

- Patented Technology
- Superior Absorption
- Maximized Bioavailability
- Optimized Effectiveness

²Due to overexertion, strain, or exercise.
