

TRADITIONAL BLOOD VESSEL RELAXATION*

Feverfew originated in Europe. Today, it is also found in North and South America. It has been known as "leatherfew" in reference to its leathery leaves. Its usage traces back thousands of years and today is traditionally used to support blood vessel relaxation.* At Nature's Way®, we believe nature knows best. That's why our mission is to seek out the best herbs the earth has to give. It's the way we deliver uncompromising quality and help you live healthier.
