

SUGGESTED USE: As a dietary supplement, take two (2) vegetable capsules daily or as directed by your physician.

BENEFITS: Effective Weight Management Formula • Promotes Appetite Suppression • Enhance Endurance & Energy • Natural Weight Loss Aid*

HOW IT WORKS: Caralluma Fimbriata is known in certain parts of India and Africa as the "Famine Food". This unique cactus is used during times of food scarcity, and during extended hunting excursions due to its powerful appetite suppressing and energy enhancing effects. Caralluma Fimbriata is nature's answer to healthy body-weight management and appetite control while also helping enhance fat reduction to promote lean body mass.*
