

This formula is an all natural specially formulated mineral-rich dietary supplement that is designed to restore bone and connective tissue vitality and increase muscle and joint mobility. It is also structured to help increase your alkalinity (pH levels), to help strengthen bone, to neutralize residual harmful acids and to increase your oxygen levels.

Our supercharging process activates the ocean & plant derived calcium & magnesium ionic trace minerals, zeolite, humic acids and, when added together with this **Omica Health Bone & pH Balancer** can cause the breakdown and disposal of heavy metals and drug residues in your body.

Suggested Use: As a dietary supplement for adults take 2 capsules a day with plenty of water, on empty stomach or as directed by your physician or qualified health care professional.
