

Suggested use: Two soft gels per day with a meal.

EyeAstin™ is a powerful eye formula developed by medical doctors using clinically researched eye health ingredients. Astaxanthin, along with macular antioxidants lutein and zeaxanthin, supports eye health after long periods of digital screen time and improves visual performance after excessive blue light exposure from smartphones, tablets, laptops, and computers.† When taken daily, EyeAstin supports healthy vision and normal eye function.† Free of gluten, lactose, soy, wheat, and artificial colors. EyeAstin is formulated and made with Non-GMO Project Verified BioAstin® Natural Astaxanthin.

Consult your healthcare practitioner before use if you are pregnant or nursing.
