

WARNING: DO NOT USE IF PREGNANT, NURSING, OR UNDER THE AGE OF 18. Do not use for more than 45 consecutive days. Consult with a physician before taking this or any dietary supplement, especially if you have or suspect you may have a medical condition, including but not limited to heart, liver, kidney, or thyroid disease, hypertension, diabetes, asthma, recurrent headaches, anxiety, Parkinson's disease, glaucoma, difficulty urinating, prostate enlargement, seizures, depression, or psychiatric diseases or disorders; or are taking ANY medications, including but not limited to MAOI inhibitors or products containing ephedrine, pseudoephedrine, or phenylpropanolamine; or over the counter products or other dietary supplements. Use only as directed. Do not exceed recommended serving, as doing so may increase the risk of serious health effects and will not improve results. This product contains approximately [Eric, please fill in with number of mg of caffeine per serving then delete brackets] mg of caffeine per serving, and may not be appropriate for caffeine-sensitive individuals. Do not consume with any other stimulants, including caffeine or synephrine, from other sources such as coffee, tea, soda, other dietary supplements, or medications. Immediately discontinue use and contact your health care professional if you experience any adverse reaction to this product, including but not limited to rapid heartbeat, dizziness, severe headaches or shortness of breath. DO NOT use during strenuous activity in high temperature conditions (greater than 80°F). Drink at least 2 liters of water daily when using this product.

CAUTION: Athletes or other persons who are tested for performance enhancing drugs should consult with their sanctioning body prior to use, as this product will cause a positive test result for Methylethylhexanamine aka 2-amino-4-methylhexane HCL, 1,3-dimethylamylamine or DMAA.
