Professional Strength!

Made with
floraFIT
probiotics

Each TrueLife PD™ capsule is cleverly engineered to ensure the five cells are still active when you use the product. TrueLife PD™ capsules are individually sealed using a "nitrogen flush"

TruLife PG™ is a professional strength brand of live probiotic oats and probiotic ingredients. Every night a regenerative capsule is made with at least 50 billion live cells from six different clinically proven *FloraGard*™ probiotics. There, you get additional support from two potent natural probiotics, *Bifidobacterium* (F-05) from Inulin and *Lactobacillus* (F-06) from Inulin and

The term probiotic means "for life" and refers to the friendly bacteria in your intestinal tract. Friendly bacteria are essential for you to maintain good digestion and a strong immune system defense. Probiotics are food substances that live
