

What am I?

I'm a delicious greens powder made from over 20 organic veggies, grasses, herbs and superfoods. I taste great in smoothies, juices or simply with iced water and a slice of lemon! Just one scoop of me is the equivalent of 3 servings of greens, making me perfect for kids and big kids alike (#adulting).

How can I help?

My alkaline veggies help naturally detoxify the body,¹ supply antioxidants¹ and provide greens specific phytonutrients.¹ I'm also packing the Ayurvedic herbs Ashwagandha and Triphala to support both the immune system² and stress relief.³
