Directions:

Take 3 capsules daily.

Do not exceed the recommended dose, unless advised by your healthcare professional. If you are taking medication or under medical supervision, please consult your healthcare practitioner before use. Do not use during pregnancy or breastfeeding.

Selenium contributes to the protection of cells from oxidative stress and normal thyroid function.

Food supplements are not a substitute for a varied and balanced diet or lifestyle.

Store in the original packaging, at room temperature, in a dry place. Keep out of reach of children.
