

Super Cleanse®

Nourish, Stimulate & Cleanse the Colon*
14 Herbs & Probiotic Support*

We live in an extremely toxic world that can overwhelm the body's detoxification system. Taking proactive measures to eliminate toxins from the body can help to ease your overall toxic burden and enhance whole body health and well-being.*

Super Cleanse® is specially formulated to promote deep internal cleansing.* This proprietary blend of ingredients is designed to nourish, stimulate and cleanse the lower intestinal tract to support the body's natural detoxification process.* More than just a simple cleansing formula, Super Cleanse® can help to flush toxins out of the intestinal tract and improve colon health and digestive function overall.*

DIRECTIONS: (Adult) Start with one (1) tablet in the morning and one (1) tablet in the evening. Increase intake by one (1) tablet every other day until you achieve 2-3 formed bowel movements per day. Do not exceed three (3) tablets twice per day. Once you find the correct number of tablets you can continue with that amount for enhanced internal cleansing for up to 30 days. Do not exceed 30 days of continual use of this product. Take only as much product as is needed to achieve 2-3 good bowel movements per day. Drink 8 to 10 glasses of water per day.

No artificial colors or preservatives.

Usage Warning: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including diuretics, heart medications and corticosteroids, or have any medical conditions. Do not use if you have an intestinal obstruction, hemorrhoids or other intestinal disorder. Do not use if you are taking any other product concurrently that has laxative effects. Do not use if you are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18.

KEEP OUT OF REACH OF CHILDREN. Store in a cool, dry place. **NOTE:** This product is not intended to be used without breaks. Cascara Sagrada belongs to a family of plants containing compounds with laxative effects. Can lead to dehydration and electrolyte loss. With long-term use without breaks, this ingredient may interfere with diagnostic imaging procedures of the colon. Taking a break of 30 or more days between cycles will help maintain natural regularity. Not intended for long-term use.
