

High Absorption CoQ10 contains pure monomer Q10 plus Bioperine[®]. CoQ10 is a nutrient that supports heart function and promotes energy production in cells. Bioperine[®], a standardized herbal extract derived from black pepper fruit, promotes absorption of nutrients in the GI tract.¹ Preliminary studies have demonstrated that Bioperine[®] increases CoQ10 absorption.

IMPORTANT EVENTS: Do not use this product if separated foil seal under cap is broken or missing. Mfg. in a GMP kitchen certified, FDA Registered Facility using Good Manufacturing Practices (GMPs). Keep tightly closed. Store at room temperature, 68-80°F (20° to 20°C). **KEEP OUT OF REACH OF CHILDREN.**
