NSI Calcium Magnesium & Vitamin D Description

Combination formula promotes healthy bones and supports proper functioning of body systems.

What is NSI Calcium, Magnesium & Vitamin D?

NSI Calcium, Magnesium & Vitamin D provides two minerals plus vitamin D in one convenient formula.

How does NSI Calcium, Magnesium & Vitamin D support health?

- Calcium is an essential ingredient of bone that must constantly be replenished.*
- Vitamin D contributes to bone strength, as proper levels create optimum conditions for bone formation.*
- Vitamin D supports the proper functioning of the nervous and immune systems.*
- Magnesium helps build strong bones by converting vitamin D to its active form and setting in motion key enzymes that stimulate bone cells.*
- Magnesium contributes to calcium absorption.*
- Magnesium helps maintain normal muscle and nerve function.*

Why choose NSI Calcium, Magnesium & Vitamin D?

- Provides a combination of minerals and vitamin D in one convenient formula.
- Good source of two forms of calcium, calcium citrate and calcium malate, for optimal absorption.
- Features vitamin D3, which is considered superior to vitamin D2.
- Contains 60 servings per bottle.
- Incredible value!
