

GAMMADYN™ Zn-Ni-Co

Zinc-Nickel-Cobalt
Oligo-Element Supplement

30 Ampoules

Recommended Dose:

Adults (19 years and older): Take one ampoule one to two times daily with meals, a few hours before or after taking medications, or as recommended by your healthcare practitioner. Squeeze contents directly into mouth. Use for one to two months or as recommended by your healthcare practitioner.

Risk Information: If you have iodine deficiency; or if you have cancer, tuberculosis or a history of tuberculosis, do not use. If you are pregnant or breastfeeding, do not use, unless directed by your healthcare practitioner. If gastrointestinal upset and/or skin rashes occur, discontinue use and consult your healthcare practitioner.

Safety-sealed for your protection and for product freshness. Do not use if ampoule is broken. Store in a cool, dry place.
