MADE IN THE U.S.A. FROM GLOBALLY SOURCED INGREDIENTS.

Warnings: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

An anemic condition should be treated under the advice and supervision of a physician.

Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within 2 hours of each other. Iron-containing supplements may occasionally cause bowel effects such as constipation or diarrhea.

If you are pregnant or nursing a baby, seek the advice of a health professional before using this product.
