

SUGGESTED USE: 2 Softgels taken daily preferably with meals or as directed by a healthcare professional.

POTENT: Fast-acting softgels for superior absorption • Extract equivalent to 1000 mg of allium sativum & 200 mg of parsley seed oil per serving.*

WHAT IT IS: Garlic is traditionally used to support heart and cardiovascular health and may nutritionally help support cholesterol levels that are already within the normal range. This product contains breath-freshening parsley seed plus the plant nutrient, chlorophyll. This helps ensure you receive the natural goodness of garlic while masking the pungent odor and taste.*
